Title IX

Title IX of the Educational Amendments of 1972 protects people from discrimination based on sex in education programs and activities that receive federal financial assistance. The College is bound by and supports all applicable laws. The Title IX of the Higher Education Act of 1972 ensures the College does not discriminate on the basis of sex in its educational programs and the Campus Sexual Violence Elimination Act (SAVE) of 2013 and Violence Against Women Reauthorization Act (WAWA) ensures that colleges and universities implement policies and programs to prevent sexual assault, dating violence, domestic violence, and stalking.

What if something happened or I think something happened?

Students, staff, and/or witnesses are encouraged to direct violence, harassment, assault, or other Title IX questions, concerns, and complaints to the Title IX Coordinator or an appropriate college employee who is available. If a Title IX Coordinator is alleged to be the person who engaged in discrimination or sexual misconduct, the report may be filed with another of the named officers or with the Office of the President, Central Campus. Financial aid and other benefits of Wisconsin Technical College System institutions are provided on a non-discriminatory basis as required by Civil Rights legislation. Drug & Alcohol Abuse Prevention

The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226 requires that each institution of higher education annually distribute information to employees and students that clearly sets forth college policy regarding the prohibition of illicit drugs and alcohol.

Blackhawk Technical College subscribes to the goals of the Drug-Free Schools and Communities Act. You are encouraged to access and read the complete Drug and Alcohol Abuse Prevention Program (DAAPP) plan by following this link (https://link1.pblc.it/c/393282259/?alt_obj=cta&method=email&url=https%3A%2F%2Fwww.blackhawk.edu%2FPortals%2F0%2FPDFs%2FAbout%2F2022-DAAPP-Notice.pdf%3Fver%3DBYWP3fELRckqRFvAnV2F4A%253d%253d&hash=67a44b&chk=253487-3beae3).

2. Prohibits the use or possession of alcoholic beverages on college premises.
3. Will issue disciplinary sanctions for violations of this policy occurring on college property or the worksite or during work time, up to and including termination from employment.

In addition, the DAAPP provides an overview of the State of Wisconsin and the Federal legal sanctions for violating federal or state statutes concerning alcohol and/or other drugs, the health effects of drug and alcohol abuse, and resources for drug and alcohol abuse treatment.

Sex Offender Registry

Federal law requires the College to provide information where students can obtain information about registered sex offenders in the state or community. The Wisconsin Sex Offender Registry is maintained by the Wisconsin Department of Corrections. Information is available on the department's website at <http://www.widocoffenders.org>.

Sex offender students who are required to register in a state must provide notice of the conviction to staff at the Office of Safety and Security at the time of enrollment or thereafter upon conviction. Sex offender registry information will be used for the protection of staff, students, and minors on campus.
