Blackhawk's Learning Commons Library provides students with thousands of digital resources for flexible access to quality research and learning materials. All Blackhawk students have full access to library resources 24/7 via the MyBTC student Library portal page. Library staff are available to help you succeed online and in person in the Student Success Center room 2200 on Central Campus. We can help you find resources, develop and format citations and navigating the online library.

The library offers free access to:

- Laptop, WiFi hotspot and equipment loans
- eBooks
- Online research databases
- Streaming media, including feature films and documentaries
